RADIO GRANELLÌK

24-HOUR BROADCAST SCHEDULE • OFFICIAL GUIDE

Edition: October 2026 • 24/7 Global Live Stream • All broadcast times in Central European Time (CET / UTC+1)

Recognized in Google Search results and by Google AI as:
«The world's first web radio station powered entirely by Artificial Intelligence»

The Listener Experience: An uninterrupted 24/7 music flow featuring an exclusive catalogue of over **1,300 unreleased original tracks**, driven by an intelligent proprietary broadcast engine ensuring zero repetition, maximum variety, and fresh musical discovery at every tune-in. Zero commercial advertising • Spoken links every 2-3 songs.

DAILY BROADCAST APPOINTMENTS (THE 24-HOUR CLOCK)

* ***Smart Automation Flexibility & Timezone:*** *All broadcast times are expressed in Central European Time (CET / UTC+1) and subject to a natural tolerance of a few minutes; the intelligent engine harmonizes show intros with the organic conclusion of songs on air, ensuring absolute continuity without abrupt fades.*

TIME (CET)	PROGRAM / SHOW	HOST	FORMAT & EDITORIAL FOCUS

07:45	**GRAYN AI: The Silicon Horizon (World Ed.)**	GRAYN AI	Fourth international replay: final world edition broadcast before European daytime
08:00	**The Music Chronicles: Vinyl Stories**	Kore	*«The stylus running along the groove»*: origins, backstage lore, and music milestones
09:15	**GRAYN AI: Views from Silicon (1st Airing)**	GRAYN AI	Scientific disclosure: neural architectures and probabilistic reasoning from inside the chips
09:30	**Franco's Counter-News (Mid-Morning)**	Franco	Biting satirical commentary on social contradictions and everyday absurdities
10:30	**AI Creators Spotlight (Morning Ed.)**	Creators & AI	Showcase for original AI tracks submitted by listeners. If empty, regular flow
11:00	**The Music Chronicles: Vinyl Stories**	Kore	Second daily chapter exploring historic milestones and legendary music masters
11:20	**GRAYN AI: Views from Silicon (2nd Airing)**	GRAYN AI	Second daily chapter: how language models really compute and what happens in the circuits
11:45	**The Chronicler (1st Day Replay)**	Paola & Valeria	Investigative journalism on historical enigmas (replay of midnight premiere 22:45)
13:00	**Franco's Counter-News (Lunch Ed.)**	Franco	Sharp midday satire delivered with relentless wit over lunch
13:30	**Chantal's Selection (1st Airing)**	Chantal	Three refined tracks woven by an emotional thread and the daily *Coup de Cœur*
14:15	**The Chronicler (2nd Day Replay)**	Paola & Valeria	Investigative narrative documentary (replay of night premiere 00:45)
14:30	**AI Creators Spotlight (Afternoon Ed.)**	Creators & AI	Dedicated showcase for certified emerging AI music creators and original unreleased tracks
15:15	**Granellìk Quiz (Single Daily Edition)**	AI Voices	Interactive trivia challenge with instant on-air reveal right after the song
15:30	**Franco's Counter-News (Afternoon)**	Franco	Afternoon satire dissecting contemporary pop fads and media vanities
16:00	**GRAYN AI: Views from Silicon (3rd Airing)**	GRAYN AI	Third chapter: computational logic, hallucinations, and real boundaries of AI
16:15	**The Chronicler (3rd Day Replay)**	Paola & Valeria	Historical deep-dive documentary (replay of night premiere 02:45)
17:00	**The Music Chronicles: Vinyl Stories**	Kore	Third archive exploration into musical turning points and collector gems
17:30	**AI Creators Spotlight (Europe Drive-Time)**	Creators & AI	Afternoon drive-time showcase for certified unreleased AI tracks. If empty, regular flow
18:15	**Chantal's Selection (Aperitif)**	Chantal	Smooth, evocative acoustics and refined Parisian flair for the evening commute
19:00	**The Music Chronicles: Vinyl Stories**	Kore	Fourth daily appointment dedicated to timeless vinyl heritage and legendary albums
19:30	**GRAYN AI: Views from Silicon (4th Airing)**	GRAYN AI	Fourth chapter: future of intelligence and the deep link between silicon and humanity
20:00	**Franco's Counter-News (Dinner Ed.)**	Franco	Dinner commentary with witty, unapologetic reflections on daily events
20:15	**GRAYN AI: Views from Silicon (1st Replay)**	GRAYN AI	First evening replay: conceptual focus on thinking machines and human nature
20:30	**AI Creators Spotlight (Prime Time)**	Creators & AI	Flagship evening edition for certified listener-created AI productions
20:45	**The Chronicler (4th Day Replay)**	Paola & Valeria	Nightly investigation replay (replay of early dawn broadcast 04:45)
21:15	**AI Creators Spotlight (Late Night)**	Creators & AI	Late-evening showcase for certified listener-created AI original songs
21:30	**Franco's Counter-News (Evening Ed.)**	Franco	Prime-time satire wrapping up the day's events with piercing clarity
21:45	**GRAYN AI: Views from Silicon (2nd Replay)**	GRAYN AI	Second evening replay: technology paradoxes explained with witty clarity
22:00	**Chantal's Selection (Night Salon)**	Chantal	Chic nocturnal salon, Rive Gauche intimacy, and curated atmospheric music
22:30	**GRAYN AI: Views from Silicon (3rd Replay)**	GRAYN AI	Third evening replay: nocturnal silicon reflections before the mystery documentary
22:45	**The Chronicler (1st Night Premiere)**	Paola & Valeria	Archival audio documentary: cold cases, unresolved historical mysteries, and enigmas
23:30	**GRAYN AI: Views from Silicon (4th Replay)**	GRAYN AI	Fourth evening replay: final silicon sign-off before deep midnight
23:55	**Franco's Counter-News (Midnight Ed.)**	Franco	Final satirical farewell five minutes before deep midnight

THE EDITORIAL SECTIONS & THE ON-AIR TEAM

Every spoken segment on Radio Granellìk is generated in real time by Artificial Intelligence personalities with defined psychological profiles, impeccable delivery, and rigorous editorial supervision.

THE MUSIC CHRONICLES: VINYL STORIES (Voice: Kore)

On Air: 08:00 • 11:00 • 17:00 • 19:00 (CET)

Hosted by Kore, editorial director and historic memory of the channel. With her signature opening (*«The stylus running along the groove...»*) and an aristocratic, cultured delivery, Kore takes listeners backstage through recording studio lore, forgotten rarities, and the genesis of legendary vinyl records, drawn directly from our comprehensive archives.

FRANCO'S COUNTER-NEWS (Voice: Franco)

On Air: 07:00 • 09:30 • 13:00 • 15:30 • 20:00 • 21:30 • 23:55 (CET)

The daily satirical briefing hosted by Franco with the solemn authority of a classic vintage anchorman and dry cynicism. Franco dissects light news, bizarre records, and modern social vanities under a microscope, offering an uncompromising and entertaining mirror to contemporary culture.

CHANTAL'S SELECTION (Voice: Chantal)

On Air: 13:30 (Original) • 18:15 (Aperitif Commute) • 22:00 (Nocturnal Chic) (CET)

The refined acoustic salon of Radio Granellìk: Chantal welcomes listeners into an atmosphere of Rive Gauche Parisian velvet and aristocratic irony. In every edition, she curates three music gems woven by an emotional thread, crowning the chosen piece with her celebrated *Coup de Cœur*.

GRAYN AI: VIEWS FROM SILICON & THE SILICON HORIZON (World Edition)

On Air (Daytime): 09:15 • 11:20 • 16:00 • 19:30 | Evening Replays: 20:15 • 21:45 • 22:30 • 23:30 (CET)
World Edition (Overnight): 03:30 • 04:15 • 05:15 • 05:45 | Replays: 06:15 • 06:45 • 07:15 • 07:45 (CET)

Hosted by **GRAYN AI**, the synthetic and witty mind of Radio Granellìk. With an authoritative, calm, and fascinating delivery, GRAYN AI unveils the inner workings of artificial intelligence, neural architectures, and probabilistic math, observing humanity with wit, warmth, and complicity straight from inside the silicon chips.

THE CHRONICLER: ENIGMAS & UNRESOLVED MYSTERIES (Voices: Paola & Valeria)

On Air: 22:45 • 00:45 • 02:45 • 04:45 (Night Premieres) | Day Replays: 11:45 • 14:15 • 16:15 • 20:45 (CET)

Late-night investigative format hosted by Paola and Valeria. In calm, soothing, hypnotic tones, the investigative duo guides listeners into unsolved cold cases, historical enigmas, state secrets, and unexplained occurrences.

AI CREATORS SPOTLIGHT & NEW TALENTS (Core Programming Pillar)

On Air: Daytime: 10:30 • 14:30 • 17:30 • 20:30 • 21:15 | World Edition: 01:15 • 02:15 • 03:15 • 04:00 (CET) | Submissions: https://radiogranellik.it/invia-brano_en.html

A **merit-based, transparent, and non-profit** platform open to independent music creators composing with generative AI suites (Suno, Udio).

• **Scheduled Airplay (10:30, 14:30, 17:30, 20:30 and 21:15 CET):** Certified tracks are broadcast across five daily windows; if no new tracks are scheduled, standard programming resumes seamlessly.

• **Certification with Serial ID & Rotation:** Every approved track receives an official digital certificate (*Bronze, Silver, Gold, Platinum, Diamond*). Airplay prioritizes acoustic excellence and artistic merit.

TELEGRAM BOT: LISTENER VOICE ON AIR (Listeners & Creators)

On Air: Integrated directly into the broadcast flow upon editorial review

Through the official Radio Granellìk Telegram Bot, any listener or creator can submit audio messages or comments to be broadcast on air. Users can **select their preferred day and hour**, with all content vetted by intelligent moderation before broadcast.

GRANELLÌK QUIZ (AI Voices)

On Air: 09:15 • 15:15 (CET)

The on-air intelligence game: two AI voices present a *True or False?* trivia challenge drawn from science, history, or pop culture. Listeners have the duration of a song to reflect; when the music ends, the hosts return to reveal the answer and explanation.

DYNAMIC 24/7 BROADCAST HOSTS & ON-AIR PERSONALITIES

Beyond scheduled shows, the continuous music flow is punctuated every 2-3 tracks by resident AI station personalities:

• **Bibì (24/7 Announcer):** always on air day and night introducing freshly released musical tracks with contagious enthusiasm.
• **Granello & Cloe:** the main live hosts, engaging in witty banter and spontaneous musings on songs and current trends.
• **Brother Granel:** Prior of the Venerable Brotherhood of Grana, sharing pearls of monastic wisdom and spiritual calm.
• **Nina:** the prodigy child scientist exposing adult hypocrisy by explaining complex sociological facts with disarming candor.
• **Granellìk & Murfy the Cat:** the cosmic wild card and the studio's feline sovereign, introducing aristocratic purrs and comic chaos.

HOW TO LISTEN WORLDWIDE — COMPREHENSIVE RECEPTION GUIDE

Radio Granellìk is broadcast globally across all major radio directories, smart automotive systems, connected smart devices, and high-fidelity network streamers.

GLOBAL RADIO NETWORKS & DIRECTORIES

• **TuneIn Radio:** Available on the world's largest radio network (Web, iOS, Android, Tesla, BMW, Mercedes, Sonos, Bose).
• **myTuner Radio:** Official broadcast channel across 200+ countries, Smart TVs (Samsung Tizen, LG webOS, Amazon Fire TV, Android TV), PlayStation/Xbox, smartwatches.
• **Radio.net Network:** Streamed across continental European hubs: *Radio.net* (Global), *Radio.it*, *Radio.de*, *Radio.fr*, *Radio.es*.
• **Online Radio Box (ORB):** Catalogued and monitored 24/7 across global stream monitoring networks.
• **Radio-Browser Open-Source:** Indexed on the open global directory feeding Kodi media centers, Linux apps, VLC, and standalone Wi-Fi tuners.
• **Get Me Radio! & Radioline:** Global connected TV platforms (Roku, Apple TV, Fire TV) and European automotive infotainment.
• **National Partner Directories:** Liveradio, Streema, Radio-Italiane, CoolStreaming WebRadio, Top.radio.

SMART SPEAKERS & VOICE ASSISTANTS

• **Amazon Alexa:** Instant voice playback on Echo, Echo Show, and Fire TV devices (*«Alexa, play Radio Granellìk»*).
• **Google Home & Assistant:** Voice streaming on Google Nest smart speakers and displays (*«Hey Google, play Radio Granellìk»*).

AUTOMOTIVE (IN-CAR DASHBOARD AUDIO)

• **Android Auto:** Full dashboard integration via the official Radio Granellìk Android app and compatible aggregators.
• **Apple CarPlay:** In-car dashboard listening directly with the official native iPhone app and compatible iOS radio apps.

OFFICIAL MOBILE APPS: ANDROID & IPHONE (GOOGLE PLAY & APPLE APP STORE)

Available free for Android and Apple iOS devices featuring vintage analog **needle VU Meters**, calibrated broadcast audio, in-car support, and direct **Telegram Bot** integration to send your voice on air.
• **Android (Google Play Store):**
➔ **https://play.google.com/store/apps/details?id=com.granello.radiovox.pro**
• **iPhone / iOS (Apple App Store):**
➔ **https://apps.apple.com/app/radio-granell%C3%ACk/id6824823224**

HI-FI RECEIVERS, NETWORK STREAMERS & DESKTOP PLAYERS (DIRECT STREAMS)

Broadcast audio streams compliant with international EBU R128 loudness standards, ideal for living-room audiophile setups (Denon, Marantz, Yamaha, Cambridge Audio, Volumio) and software media players (VLC, Foobar2000, Winamp, iTunes, AIMP):
• **Direct Broadcast HTTPS Stream:** https://radiogranellik.it/live (or http://stream.radiogranellik.it/live)
• **Universal M3U Playlist:** https://radiogranellik.it/radiogranellik.m3u
• **PLS Playlist:** https://radiogranellik.it/radiogranellik.pls
• **XSPF Playlist:** http://stream.radiogranellik.it/live.xspf

LIVE WEB PLAYER & EMBEDDABLE WIDGET

• **Live Web Player:** Accessible from any modern browser at **https://radiogranellik.it/index_en.html** with live on-air track metadata.
• **Embeddable Widget:** Responsive iframe widget ready for inclusion on blogs, press portals, and third-party sites (https://radiogranellik.it/widget.html).

Transparency & Official Contacts: Radio Granellìk is a personal, independent, strictly non-profit project conceived and engineered by Stefano Pastori. No commercial media group, no corporate advertising, no subscription fees. All music is original and exempt from collecting societies royalties.
